<ABOUT YOUR
SPEAKER(S)!>

What?

- Python Web Frameworks

What?

- Python Web Frameworks (Bottle, Django, Flask, Pyramid, Zope, etc.)

What?

- Python Web Frameworks (Bottle, Django, Flask, Pyramid, Zope, etc.)
- Python Core Development

What?

- Python Web Frameworks (Bottle, Django, Flask, Pyramid, Zope, etc.)
- Python Core Development (e.g. PEP435)

What?

- Python Web Frameworks (Bottle, Django, Flask, Pyramid, Zope, etc.)
- Python Core Development (e.g. PEP435)
- Introduction To Python Programming

What?

- Python Web Frameworks (Bottle, Django, Flask, Pyramid, Zope, etc.)
- Python Core Development (e.g. PEP435)
- Introduction To Python Programming (>>> import this)

What?

- Python Web Frameworks (Bottle, Django, Flask, Pyramid, Zope, etc.)
- Python Core Development (e.g. PEP435)
- Introduction To Python Programming (>>> import this)
- Intermediate Python Programming

What?

- Python Web Frameworks (Bottle, Django, Flask, Pyramid, Zope, etc.)
- Python Core Development (e.g. PEP435)
- Introduction To Python Programming (`>>> import this`)
- Intermediate Python Programming (`>>> [i for i in things_we_talk_about]`)

What else?

- Advanced Python Programming

What else?

- Advanced Python Programming (`>>> X = type('X',(),{'foo':lambda self:'foo'})`)

What else?

- Advanced Python Programming (`>>> X = type('X',(),{'foo':lambda self:'foo'})`)
- Database Technology

What else?

- Advanced Python Programming (`>>> X = type('X',(),{'foo':lambda self:'foo'})`)
- Database Technology (`>>> import redis`)

What else?

- Advanced Python Programming (`>>> X = type('X',(),{'foo':lambda self:'foo'})`)
- Database Technology (`>>> import redis`)
- Development and Operations Technology

What else?

- Advanced Python Programming (`>>> X = type('X',(),{'foo':lambda self:'foo'})`)
- Database Technology (`>>> import redis`)
- Development and Operations Technology (Heroku, Openstack, Zenoss)

Thank You
